On

19th Jan, 2019

IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO:

Aim

Industry-Institutional collaboration Initiatives will lead to efficient complementation of resources of both the organizations eventually leading to the development of a house of excellence for quality training, research and development which will be of immense mutual benefit and also relevant to societal benefit. Realizing this objective, the Industry and the Institution, named above, have signed this MOU in order to achieve the desired results for the benefit of the students in particular and scientific community, in general.

Objectives of MoU

1. Encouraging and allowing the students of the University to interact with working groups of the industry so as to increase their knowledge level through add-on courses, workshops, projects and in-plant training.
2. Encouraging involvement of students to take up projects of the industry and build up professional confidence and competence.
3. Offering state of the art guest lectures from one side to the other.
4. Conducting specific Training Programs by the Industry.
5. Recruiting Industry Researchers as Adjunct Faculty for the institution.
6. Consultation in respect of R&D and Consultancy Projects from one side to the other.
7. Jointly organizing seminars, workshops and other academic and scientific activities.
8. Explore joint R&D programs.
9. Concessional services from the industry for the staffs and students of the University.
10. Usage of the laboratory facilities available in the University by the researchers from the Industry.

Ashok Kumar Singh
Registrar
GLA University, Mathura (U.P.)

TERMS & CONDITIONS of the MoU

1. This is a non-exclusive MoU and is valid for a period of five years and may be extended further on mutual consent.
2. The MoU can be terminated with 3 months notice on either side.
3. This agreement is governed by and construed in accordance with Indian Law.
4. Both parties have to appoint a representative to initiate and execute the activities under this MoU.

In Witness whereof, both the parties, The Industry and the University, here to agrees upon the content of the MoU and abide by the terms stated above, by signing by its authorized representative.
