

Pradeep Kumar Srivastava

Dr Pradeep Kumar Srivastava

Managing Director, Trinity Cleantech Pvt. Ltd.
Secunderabad

P.K.Srivastava is an Indian Railways Services Officer, retired as General Manager Indian Railways with 40 years of experience. Handling the most intensive Mumbai Suburban Network for 15 years, his knowledge on Mass Transit Systems on Electric Traction has been very useful. He was one of the successful founders of Pure Electric Buses in India brand Olectra with the Technical support of BYD, China. He has now introduced a Premium Electric 3-wheeler in Bangalore. With his inputs, the road ahead to 4-wheeler cargo manufacture with BYD Powertrain as well as the Lithium-ion Battery assembly in India shall be smooth.
