## Theme of Special Session:

### Sustainable Applications of Data Science in Communication Technologies

This session will focus on the sustainable ways of data management. Data is continuously generated from various processes and stored in such a way that most of the time it is independent of the way it is stored. This session also focuses on the communication network and its effective use of sustainable ways of data management and integration. Today it is difficult for any business process to implement without computer network and information systems. Data is an integral part for any business and study of data behavior can provide a more sustainable way for business process in many fields like tourism world, fashion industry, in the legal field, hotel industry medical etc....

### Topics of interest include, but not limited to, the following:

- IOT in Sustainable Development
- Sustainable Forensics Engineering
- Advancement in Sustainable Technologies
- Sustainable Material: Adoption of advance communication technologies
- Sustainable Electronics and Communication
- Emerging Technologies and Sustainability
- Sustainable Development in Tourism and Hospitality Industry
- IT Issues and Challenges in Management
- Soft Computing Techniques and their Applications
- Sustainable Computing

### Important Dates:

**Start of Paper Submission: 15<sup>th</sup> March, 2019**

**Last date of paper Submission: Extended 30<sup>th</sup> June, 2019**

**Paper Acceptance Notification: 15<sup>th</sup> June, 2019**

**Submission of final copy: 15<sup>th</sup> July, 2019**

**Registration Deadline (Early Bird): 15<sup>th</sup> July, 2019**

Prospective authors are encouraged to submit their paper through easy chair. The link is available on the conference website. Submissions must be plagiarism free and not more than six pages in IEEE format. Use the following link to submit your papers [Click Here: https://easychair.org/conferences/?conf=iscon2019](https://easychair.org/conferences/?conf=iscon2019)

### Steps to submit the Paper in the Special Session of IEEE-ISCON2019:

Please submit your paper (in pdf file of your full length paper in IEEE format) at <https://easychair.org/conferences/?conf=iscon2019> with a copy of the paper to [vshukla@amityuniversity.ae](mailto:vshukla@amityuniversity.ae) with "Name of Special Session and Easy chair Paper ID" mentioned in subject line.

### Publication Ethics:

Every paper submitted to the ISCON2019 will be checked for plagiarism by using anti-plagiarism software (Turnitin), before being sent to a pre-conference review. Authors should observe high standards with respect to publication ethics. Falsification or fabrication of data, plagiarism, including duplicate publication of the author's own work without proper citation, and misappropriation of the work are all unacceptable.

### Proceedings Publication:

All Accepted and presented papers of the conference by duly registered author(s), will be submitted to IEEE Xplore digital library for publication. (IEEE Conference Record: #47742) and Scopus Indexing.
