About Online Test

- This is a multiple choice test.
- The total duration of the test is 60 minutes (i.e. One Hour).
- Total marks for the test will be 180 marks. Each correct answer will be awarded 4 marks.
- There is negative marking for wrong choices selected. For each wrong answer 1 mark will be deducted.
- Numbered list of all questions appears at the right side of the screen.
- Keep a close watch on 'Time Left' while appearing for the test.
- The timer of the test starts only once you click the 'Start' button.
- Once you click 'Start' button, a question and the possible answer choices will appear. Select the choice you find to be the correct answer of the question.
- Clicking on a choice saves it as your answer for the question.
- The answers can be changed at any time during the test.
- After you finish the test, click on the 'Submit' button to submit your test.
- The 'Submit' button would be activated only when you have viewed all the questions at least once.
- You will be automatically stopped from answering questions when the time of the test is over.

Click on the "Continue" button to proceed ...
