MEMORANDUM OF UNDERSTANDING
BETWEEN
MYEIK UNIVERSITY, THE REPUBLIC OF THE UNION OF MYANMAR
AND
GLA UNIVERSITY, MATHURA, INDIA
ON
SCIENTIFIC AND TECHNOLOGICAL COOPERATION

Myeik University, Ministry of Education and GLA University, Mathura, Uttar Pradesh, India (hereinafter referred to singularly as 'Party' and collectively as the 'Parties'), are desirous to encourage academic cooperation in pursuance of Memorandum of Understanding (MoU), and have agreed as follows:

Areas of Cooperation

1. The Parties have reached an accord on the following areas of cooperation:
    a. Industrial visits/internship/volunteer program/short term visits related to academic/research works
    b. Jointly organizing Conferences, Seminars, Workshops, Training and Webinars
    c. Joint application and implementation of international bidding projects
    d. Joint research, Paper publication and meetings for Education and Researches

    By signing this MoU, both Parties can strengthen internationalization of higher-quality education and applied research, and facilitate scholar, faculty and student exchanges in the fields of mutual interests. In addition, cooperation will facilitate the development of capacity and capability of the Parties.

Implementation

2. The development and implementation of specific activities based on this MoU shall be separately negotiated and determined by Parties.

3. It is understood that the implementation of any of the types of cooperation stated in Clause 1 shall depend upon the availability of resources and financial support of the Parties concerned.

Financial Arrangement

4. This MoU shall not bind either Party to any financial commitment. Neither Party shall have any financial obligation and commitment under this MoU.

5. Applications for financial support towards the cooperation and individual activities planned under this MoU shall be transparent and undertaken with mutual consent. Other sources of finance raised to support the joint projects of the Parties shall be pursued with the knowledge of the other Party through notification in writing.

Intellectual Property

6. Should the collaborative research activities under this MoU result in any potential for intellectual property, each Party shall seek an equitable and fair agreement as to ownership and other property interests that may arise.

Validity, Termination and Extension

7. This MoU is valid for a period of five years from the date of signing. However, this MoU may be terminated by either Party six months prior written notice to other Party, without affecting any on-going collaborative activity/activities undertaken under this MoU. Extension of this MoU requires discussion and mutual consent by the Parties six months prior to expiration date.

Modification and Amendment

8. This MoU and any specific programs resulting from it may be modified or amended at any time by the two Parties in the written form of mutual consent which shall be an integral part of this MoU.

Dispute and settlement

9. In the event of any dispute, both Parties shall attempt to resolve the matter amicably through consultation and negotiation between the Parties.

10. IN WITNESS WHEREOF, the undersigned, being duly authorized by the relevant authorities, sign this MoU in two equally authentic originals in the English language with each Signing Authority receiving one original as of this ....10..... of May, 2022.
