

Event Name- Data Mining Algorithms and Their Scalability in Cloud Environments

SEMINAR/ EXPERT TALK

Data Mining Algorithms and Their Scalability in Cloud Environments

on 19th December, 2016 at 11:00 A.M. to 2:00 P.M.

Organizes by
Information Retrieval and Data Mining Research Group
Dept. of Computer Engineering & Applications
IET, GLA University, Mathura

Speaker:
Prof. Raj K. Bhatnagar
B Tech - IIT Delhi, MS -University of Maryland, USA,
PhD- -University of Maryland, USA
Professor, Department of Computer Science
College of Engineering and Applied Science
University of Cincinnati, OH-45221- USA

Venue: Departmental Library, Room No. 306, Academic Block-1

Event Name -Safety Awareness in Construction Industry

GLA UNIVERSITY
MATHURA

Department of Civil Engineering,

18 February 2019 | EC Conference Hall | 10:30 A.M. Onwards

Name of Event: MATLAB EXPO 2.0

The poster features a blue and white color scheme. At the top left is the Techtronica logo with the tagline 'Technique for all, all for technique'. At the top right is the GLA University Mathura logo, which is NAAC Accredited with an A Grade. The main title 'MATLAB WORKSHOP' is written in large, bold letters, with 'MATLAB' in red and 'WORKSHOP' in white. Below this, the date '8TH SEP 18' is displayed in white on a blue background. To the right of the date is a 3D surface plot. Below the date, it says 'NO FEE LIMITED ENTRIES'. The 'MATLAB EXPO 2.0' title is prominently displayed in the center. To its right, a large number '6' is labeled 'highlights', followed by a list of topics: 'INTRO', 'SCOPE OF MATLAB', 'BASICS', 'OPERATION', 'PLOTING', and 'SIMULATION'. A section titled 'WHAT IS MATLAB?' provides a brief description of the language. To the right of this, under 'CONTACT US:', are the names and phone numbers of Ankit Bansal and Rohit Yadav. At the bottom, the organizers are listed as Techtronica Society and Code-E-Phobia Club, and the designer is Envisage.

Topic of the Interaction: How IoT is changing the trends & what needs to be done by engineer.

Photographs:

GlobalLogic
Internet of Things
Ashish Kalvakota
April 2020

Technology challenges are growing

- Scalability**
 - AWS, IOP, Azure and more
 - System and engine component
- Device onboarding**
 - Multiple vendors of devices
 - No single user experience
- Security**
 - From HW to Cloud path
 - User data and device data
- Power consumption**
 - Resource constraints
 - Different optimizations
- Connectivity**
 - Device-to-device, GM, Cloud
 - Protocols and access levels
- Testing**
 - Mixed of device simulators
 - Bio-co and testing automation
- Lack of end-to-end**
 - Growing market
 - Lack of maturity of
- Variety of radio**
 - Wi-Fi, LTE, 5G, Z
 - Adaptive, robust
- Huge data flow**
 - Collect securely
 - Transfer the data
- Analytics**
 - Reduce type data
 - Clear and relevant
- Time to market**
 - Validation on the final hardware
 - Audio and certifications

IoT market is very dynamic and spreads across industries:

- The number of IoT devices that are expected to grow to 10 billion by 2020.
- A lot of vendors in various domains towards IoT, expanding existing and connected products.
- A convergence of AI, IoT and Big data to a wave of next-gen applications and services.

Resource person delivering lecture

Topic of the Interaction :Career Path through Software Engineering

The poster is for an online Zoom meeting. At the top left is the GLA University Mathura logo, which includes the motto 'अदत्ते ज्ञानान्न मुक्तिः' and mentions 'Recognised by UGC Under Section 2(F)'. Below it is a green badge stating 'Accredited with A Grade by NAAC' and '12-B Status from UGC'. To the right, a dark blue banner says 'Online | Through Zoom Meeting'. In the center, a yellow and green box reads 'GUEST LECTURE ON'. Below this, the title 'Career Path through Software Engineering' is written in large blue font. A yellow banner below the title shows a calendar icon and the date 'Saturday 20th February, 2021 | 2:00 P.M. onwards' with a clock icon. On the left, a dark blue box labeled 'Resource Person' introduces 'Mr. Sagar Agrawal, Senior Software Engineer' at 'BARCLAYS', accompanied by a portrait photo of him. To the right of the photo is an illustration of business figures standing on a bar chart. At the bottom, a light blue banner lists 'Faculty Coordinators: Mrs. Ruchi Agrawal & Dr. Vinod Jain' and 'Student Coordinators: Mr. Anuj Arora (+91-9997169094), Ms. Deeksha Agrawal'. The footer contains logos for 'In association with' (GLA University IEEE Student Branch, Abacus Computer Society, IEEE Women in Engineering, Computer Society of India, IEEE computer society, and IAS IEEE Industry Applications Society) and a dark blue banner stating 'organizes by: BCA-o-CRATES Club, Department of Computer Engineering & Applications'.

Impetus6.0

Poster

The poster is for the ASME GLAU 7.0 IMPETUS 6.0 event. It features a yellow and orange background with a silhouette of a person's head on the right. The top left corner has logos for GLA University (Accredited with A Grade by NAAC) and ASME (American Society of Mechanical Engineers). The main text reads "ASME GLAU 7.0 PROUDLY PRESENTS IMPETUS 6.0" with the tagline "Your vision, our innovation." Below this, there are three hexagonal icons: "Test your brain" (with a brain icon), "Break the logo" (with a target icon), and "Mad minutes" (with an hourglass icon). To the right of these is the "PLATFORM QUIZZ" logo. A "HURRY UP!!" banner with a running figure is positioned above a calendar icon showing "November 8 2020". On the right side, a vertical list of prizes for the top 3 winners is shown: a trophy icon for "For Top 3 Winners", a rupee symbol for "CASH PRIZE FOR 2ND / 3RD YR", and a person icon for "FREE MEMBERSHIP FOR TOP 3 PERFORMERS OF 1ST YR". The bottom of the poster contains contact information: "Kartik Agrawal - 9760455100" and "Tushar Gupta - 9639533265", social media icons for Instagram, Facebook, Twitter, and LinkedIn, the handle "/asmeglau", and an email address "asmeglau@gla.ac.in".
